

MERLOT SKIN CARE

Formulated with the potent antioxidant-rich grape seed extract, Merlot Skin Care products are wine for the skin. According to the Merlot Skin Care website, research has shown that grape seed antioxidants are 50 times more powerful than vitamin E and almost 25 times more powerful than vitamin C. The Merlot Skin Care line, which includes a moisturizer, eye cream, cleanser, night cream and more, contains technologically advanced ingredients like grape seed polyphenols and "hi-tech peptides" to fight free radical damage from smog, pollution, stress, UV rays, smoke and even certain medications. Merlot products can be ordered at MerlotSkinCare.com with prices ranging from \$8 to \$20.
